

December 2022 **Rejuvenating December!** 

The month of December was occupied with a series of Scholarship Programmes and training along with college visits and a residential camp. Joy of Speaking (JoS), Prerana Readiness for Employment Program (PREP) and Digital Literacy classes are being held in full swing. The students' interaction is leveling up and are actively participative. Conducting the Nurture Merit Test (NMT) in various rural colleges, the Scholarship Distribution for SKF and ADVA beneficiaries, one-day PREP training session for the Degree students at Janapada Loka and volunteering by EYGDS are the major highlights of the month.

Attending Prerana's summer camp for a month was the turning point. It was a good learning experience and I had a lot of fun. After 10th I was in a dilemma to choose between Vscience and commerce. Having associated with Prerana cleared this confusion and I opted for Commerce. Further, I attended the regular coaching classes for PUC which was held on Saturdays at Prerana Office. I was regular to most of their training sessions on Career Development, Communication and Spoken language, Book reading and Aptitude Development. They even had classes on Data science and IT, CFA and NISM guidance sessions and much more. The Scholarship provided by Prerana helped me to continue with my education. I pursued - PUC in National College and secured 89%. Degree from BMS College of Arts and Commerce and secured an aggregate of 78%. I did my Post-Graduation in MBA from Imperial Institute and scored 75%. On the Career front, I took up Chartered Accountancy (CA) from the
